

SATURDAY, MAY 4, 1878.

NOTES AND NEWS.

John Morrison is dead, and can gain no more.

Grand Lodge is preparing to observe Decoration day.

There are now over 700 insane persons in the Kalamazoo asylum.

In western Michigan they have had the heaviest rain fall ever known there.

There is hope for common sinners, as Miss Prater has baptised at Battle Creek last week.

It is reported that R. W. Doane of Windsor, Eaton county, has lately come into possession of \$30,000 by an Ohio estate.

A Three Rivers mail reader has invented a three wheeled velocipede, which is good on the rail road track, for 25 to 30 miles an hour.

Presidential election returns are coming in from Michigan. We shall soon be able to inform our readers as to who is the President.

The Free and Accepted Masons of Michigan have declared the alleged business incompatible with Masonry, which is a step in the right direction.

If A. J. Hamilton's son, Delta, Eaton county, stands over 6 feet in the perpendicular, and weighs 300 pounds, which only 14 years of age, what will the man be?

A severe hail storm visited Grand Rapids last Saturday, doing considerable damage. Hail stones as large as hickory nuts covered the ground one inch deep.

Alleged ladies had a run of luck lately. Mrs. Moore broke her arm, Mrs. Win. Ferry ditto, Mrs. Joseph Ambler ditto, while Mr. Geo. Preston had her shoulders dislocated.

Fire-water serves Indians just as it does white folks. Two of the former put themselves in a legal condition lately at Ludington, and "butchered" each other with knives.

The Union City village council has fixed its liquor bonds at the modest sum of \$3,000, and the "village fathers" of Centreville, St. Joseph county, have placed theirs at \$500.

The House of Representatives voted almost unanimously on a bill to prohibit the Secretary of the Treasury from issuing any more legal tender notes and directing their re-issue.

Charlotte, April 26. - Henry Canfield, clerk in the Sherwood House, was arrested to-day on complaint of George W. Sherwood for larceny. He is charged with having stolen a quantity of money and cigars.

The papers including the Lansing Republican that were so friendly to Willard of Battle Creek, now spurn him on account of his Greenback proclivities. Woe to the man who breaks ranks with partisan newspapers.

While large influential papers like the N. Y. Herald, Detroit Free Press and Tribune declare that the National party can neither be ridiculed nor talked down, yet little one-horse papers and speakers denounce Greenbacks as "swash bucklers, fanatics and fools" which is not the best way to reclaim them from their errors.

The Chicago papers draw a very gloomy picture of that city. At present it is bankrupt. Through the inadequacy of law and the ruling of the court, they can't levy and raise the necessary taxes to run the city government. Either the Illinois Legislature must convene to grant relief, or the capitalists of Chicago must help till the law can be amended. This condition of things has thrown multitudes out of employment, who are said to be starving and drifting with a view to plundering the city. It is a deplorable state of things.

The following sensible advice we clip from an exchange: "Stick to your pledge. You have slept better, felt better, worked more and had a clearer conscience since you quit drinking than you had before. Your wives, children, mothers and sisters have been happier since you put on the red ribbon. Don't disgrace it now. Stick to your pledge for a year, and then take an inventory of what you have, and you will find plenty of work; food, clothes, happiness and contentment among your possessions. If you can keep it two years, in two years, in ten years—always. Try it the first year."

Resolutions of Thanks and Advice to the Charlotte "Republican."

WHEREAS, the Charlotte Republican has at various times given the Eaton Rapids Journal friendly (?) puffs and gratuitous notices; and

WHEREAS, said puffs, coming from a paper so kind (?) and liberal (?) in tone, and so free from partisanship (?) and slang (?) has greatly advanced our work, bringing us increased patronage and cash subscribers; therefore

Resolved, That we hereby tender our thanks (!!!) to that paper, and hope it will continue to do so.

And we further resolve, that we will continue to give it the same (?) money, and has been saying so many (?) sweet (?) things of Greenbacks, calling them swash-bucklers, fools, fanatics, fanatics, "an' sich"; and

WHEREAS, the said Republican has so fully preached the Greenback gospel to the people of Eaton county as to drive many into the Greenback party, greatly to our grief (!) and the grief of all lovers of hard money; and

WHEREAS, if said paper does not soon apply the brake, said Greenbackers will seize the reins of government of Eaton county and State of Michigan, thus endangering the bread and butter of the Republican and all the rest of us Republicans; therefore

Resolved, That we advise our beloved

Brother Anger to "about ship," and thus avert the threatened calamity.

[Other resolutions are crowded out this week.]

PATRICK O'SHAUGHNESSY, (Editor), MISS FITZFLANNAGAN, (Manager), J. McNEIL, (Printer), (Poole & Knives) Printers.

J. O'MCULLIGAN, (Printer), (An' sich) Printer's Devil.

Destroyed by Fire.

We copy the following from the Detroit Free Press of this week: Monday morning shortly before six o'clock,

the gas main leading into the basement of the Free Press building exploded and instantly the whole edifice, which was a three-story brick building, was in flames.

Although the firemen were on hand within four minutes after the first shock, and did heroic work, the whole of the interior being consumed. We have saved our mailing lists and presses in a damaged condition, and the steam engine slightly injured.

Our neighbors have overwhelmed us with offers of aid gratuitously, and by the assistance of the Post and Tribune Company we are enabled to get out this edition in perfect order, and we could wish, however, of THE WEEKLY FREE PRESS, being delayed only one day.

We have the indulgence of our readers, subscribers and friends in every part of the country, and we are glad to have been so severely tried, and we are glad to have our whole staff organized and at work, and everything of the kind has been ordered by telegraph, and in a short time our new Bullock perfecting press and roller will be set up and ready for use.

The loss of THE FREE PRESS Company is impossible to state at this time with accuracy, but it will approximate to \$40,000; the insurance is \$49,000.

No person was seriously injured, the fire occurring at an hour when very few persons had business in the buildings.

Mr. Oscar Charfield, of Albion, publisher of the Albion Recorder, addressed to saloonists, druggists, and all concerned: I hereby forbid you, under penalty of the law, to either give or sell me any spirituous or malt liquor, as I feel and know my weakness, and want you that I shall enter complaint against you in case you fail to heed this notice.

Mrs. Smith, the Postmistress of Sterling, Ill. has been so persecuted by politicians who desired her removal, that she is threatened with death or permanent loss of reason.

The passengers in a train of cars leaving New London, Conn., at other day took to sea on eternal punishment. Twenty-five in all, it is ten did not, and sixteen were "neutral."

An unqualified juror in the case of Donnelly, lately convicted of murder at Louisville, Ky., will probably invalidate the verdict and necessitate a new trial.

A wag suggests that this accounts for the many eyes that close in our churches on Sundays.

"Oh, tell me, gentle sirrah, with fondling lip and of mine, that you're mine, forever mine." "That you're mine, forever mine." "And how long will you be mine?" "I am yours, forever yours."

"This is the story with the O'Whose mother lived in Chicago. One day she was a lively girl. That hit the lamp a sudden blow. They said she was a good girl. The story of what Chicago is."

The Nervous System receives strength and vitality, and the whole system is recruited by using "Lawson's Curative."

REMARKABLE RESULTS FOLLOW.—Pain ceases, swellings subside, fever abates, and a natural and healthy state exists after using this great and wonderful preparation known as Thomas' Electric Oil. Thousands testify to the happiness resulting from the use of this preparation. Why not procure a bottle at once. The cost is trifling, and effect sure. One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents' worth has cured an old standing cough. It positively cures catarrh, salivary gland, and back, and the same quantity lame back of eight years' standing. The following extracts from a few of the many letters that have been received from cures that have been effected by this oil: I procured a bottle, which removed the hoarseness at once.

THOMAS HORTON, Farnham Centre, writes: "I have been afflicted with Rheumatism for the last ten years, and have tried Dr. Thomas' Electric Oil, and since then have had no attack of it. I would recommend it to all."

DR. BEAUBRON, Hull, P. Q., says, "I have sold Thomas' Electric Oil for two years, and I have never seen a medicine which has given more thorough satisfaction. I have used it in my own case on a broken leg and dislocated ankle, with the best result."

A. H. GAZOS, Manufacturer of Sewing Machines, Trumansburg, N. Y., says: "My thumb was severely injured, but, without relieving the pain, immediately on reaching home I applied the 'Electric Oil,' and in a few minutes relief. I have a large number of men employed, and your Oil has established up and held such a reputation that nearly every one of them keep it."
