SPECIALIST

Dr. J. W. Wheeler, Specialist in Diseases of the Eye, Ear, Nose and Throat. Will make their first visit to Eaton Rapids, Michigan, and will be at the Anderson House Tuesday, June 27, 1905.

Sickness and disease are usually treated as a mystery and according to symptoms, the actual cause being obscure and little understood.

These Specialists with a thorough knowledge of all the modern methods and instruments and after extensive researches into the causes of chronic diseases, have proven beyond doubt that nature being antagonized by a destructive germ is constantly endeavoring to overcome such needs assistance.

The fact that these Specialists have discovered entirely new treatments and natural cures, gives them control of the Nervous System, Heart, Stomach, Lungs, Kidney, Catarrh, Consumption, Epilepsy, Deafness, Male and Female Weaknesses, Cancer, Tumors, Piles and other Chronic Diseases.

Those suspecting Kidney Trouble should take a small vial of their urine for chemical and microscopic analysis.

ADDRESS TO ALUMNI

By Retiring President Miss Lena Munn. O'Quincy mouth of indolent repose! I think thy breath in signs of rare perfume.

Each Alumnus, in you, recalls the time when he stood where you now stand, yet the time seems so short, that it is nothing, however, that brings to our minds the lapse of time, as these meetings, when we realize how each succeeded.

Stomachs Made Good as New

Contrary to general belief the stomach is one of the sturdiest and most reliable organs of the body. It rebels at overwork and improper food but seldom becomes diseased.

Prove this by noting how promptly our REXALL DYSPEPSIA TABLETS relieve and cure these troubles.
