THE GREAT RAILWAY KING IS DANGER

Being Devalued - Belle! That He Is Danger - Chicago Tribune.

The Sun says that the shrinkage in stocks, particularly the Granger shares, alarmed Wall street, and yesterday morning, soon after the opening, there were indications of a panic.

It was estimated that these papers would not reach within thirty per cent of the previous estimates, on which the market was based.

During the greater part of 1877 there were employed between 1,200 and 1,300 persons in the manufacture of matches.

The following is a comparison of the condition of the treasury Aug. 1st, 1877 and 1878:

Currency, 1877..... \$2,811,827
Special fund for redemption of fractional currency..... 8,100,000
Spec. deposit of legal tenders..... 10,000,000

THE SCIENTIFIC MAN'S WELL-SUPPORTED THEORY that the North Pole is the Site of Eden.
