LET US BE KIND TO EACH

OTHER.

Come let us be kind to each other.

As through this rough valley we roam:

People may not be kind to each other.

That leads to happier homes.

And should we be troubled with care,

Let us never give any vain address.

Or sink in the call of despair.

Richly educating the young.

As through this rough valley we roam,

We may pass through the shadow of another.

To enter a happier home.

Yes, let us be kind to each other.

And kindly a friend or a brother

That beams in a smile, delighted

That we are so near, so close.

Our hearts will be ever united

In harmony, wisdom, and love.

And thus being kind to each other,

As through this rough valley we roam,

We may pass through the shadow of another.

To rest in a happier home.

REMARKABLE RESULTS FOLLOW.

Pain ceases, swellings subside, fever

abates, and a natural and healthy state

exists after using this great and

valuable preparation known as

Thomas' Electric Oil. Thousands testify

to the happiness resulting from the use

of this preparation. When not procure a

bottle at once. The cost is trifling, and

effect sure. One dose cures common

sore throat. One bottle, has cured

bronchitis. Fifty cents' worth has cured

an old standing cough. It positively

cures a cold, influenza and croup in the

back, and the same quantity lame back

of eight years' standing. The following

are extracts from a few of the many

letters that have been received from

a distant part, which, we think, should

be sufficient to give the most skeptical

a fair trial. H. H. Gasko, Manufacturer of

Moving Machines, Transburgh, N. Y.,

says: “I have been afflicted with

Rheumatism for the last ten years, and

have tried all kinds of medicine, but

without success. I have used your

Electric Oil, and I have a large number of

men employed, and your Oil has established

for itself such a reputation that nearly

every one of them keeps it.”

Sold by all medicine dealers. Price

50 cents and \$1.00. Trial bottle 25c.
