Record \$4,087 Payment Made For New Sewer

Subdivision developer Alex Allan set a new record when he gave the City of Eaton Rapids a check for \$4,087.38 at Monday night's City Commission meeting.

The check covered Allan's share of the cost of the new sanitary sewer recently installed near the west end of McArthur River drive and in Allan's Burnside Addition. It will serve 30 lots in the new subdivision owned by McArthur, Cumberland drive and Raeburn road.

City Commission members said it was the largest single payment ever made here for a sanitary sewer. Following its standard policy, the City assumed one-third of the cost of the sewer and charged Allan the other two-thirds. They also will allow other property owners on the west end of McArthur River drive to be charged for the sewer although it will be most profitable for them to let it later, if they so desire.

At Monday night's meeting, the Commission again discussed advisability of directing the proposed curfew, and would delay any decision until next week.

Members of the local Senior Citizens club and their guests from the Lansing club were treated to a bit of "yesteryear" at Wednesday's combined celebration. Some of them enjoyed rides in the handsome old carriages belonging to the Lincoln Comps, as director of public safety, and the "Police department" created to do.

At the Skinner Funeral home, Mrs. Mary Crawford, Mrs. De-Laurey Sawdy, Mrs. Lillian Howe, Beverly Connors, Fred Hyatt, Jesse Krumm, William Fanson, Roland Yabick, Harry Montello.

Mr. Patricia Young, Mrs. Vivian Moore, Mrs. Elsie Herington, Mrs. Elsie Fowler, Mrs. Shirley Markin, Virginia Root, Barbara Karciak, George Long, Grover McManus, Lester Crippen, Alan Blackwell, and Thomas Taylor, Stephen Ferguson, Larry Gillett, Charles Oliver.

Hall-Vaughn Little Leaguers Spurt from Last to First

The Hall-Vaughn team put on a late-season spurt in the past week's winning three straight games, to jump from last place into a tie with Emery's for the lead in the Little League.

Hall-Vaughn started off on July 28 with a 2-0 win over the Jaycees in a makeup game, came back the next night with a 5-1 win over Emery's, and the following night trimmed the Lions, 3-0. In the only other Little League game, the VFW defeated Emery's, 2-1.

High-scoring games, topped by the Kiwanis team's 4-1 win over Heminger's, marked PeeWee league play. Davidson's defeated Heminger's, 4-2, Robinson's and Davidson's beat the VFW, 2-1. Rodney McLaughlin pitched a new record for Robinson's in the win over Heminger's.

Junior league play was limited to two games because of rain. Monday night, Baldy's defeated Davidson's, 2-1, on Barry Hunt.

Next Tuesday To Be Service Club Picnic Day

This is the season for old-fashioned picnics with each family bringing a dish to pass. Two of the local service clubs, Lions and Kiwanis, will hold their picnics next Tuesday evening, beginning at 7 p.m.

Members of the local Senior Citizens club and their guests from the Lansing club were treated to a bit of "yesteryear" at Wednesday's combined celebration. Some of them enjoyed rides in the handsome old carriages belonging to the Lincoln Comps, as director of public safety, and the "Police department" created to do.

School Board Calls Special Vote Aug. 31 To 'Save' \$6,700

The Board of Education has set a special election for Monday, Aug. 31, when all voters will elect the Eaton Rapids School district. The election will determine whether the 1959 school tax will be 2 1/2 mills or just 2 mills.

The difference, if renewed, is \$6,750 on the state equalized valuation of \$1,000,000. The 1958 Eaton Rapids School district allocation of \$1,000,000 is \$15 million between the school and the counties. The board also allowed Delhi township to have a mill for township operation.

At a special session Tuesday night, the School board voted unanimously to hold the election, members pointing out that the school district cannot legally levy 9.375 mills in the district and only 8 mills in Delhi township. Nor can it levy 9.375 over the whole district since this would be a total in Delhi township over the

Junior and senior high school students will NOT have to get up before dawn to get to school this fall. The correct starting time for grades 7 through 12 is 8 a.m.

nerve and the creamy richness of concrete, foundation to our new day.

Prowling the narrow sand trails of a deer forest we floundered in the misty pre-dawn hours. The driving cool and easy with the flow of traffic at a standstill.

With the glow of dawn well on its way, the appetite brings a stop at one of the many neat cafes. Everyone is chipper and the waitresses play straight men for the gay early risers and administer transfusions of orange juice and tomato cocktails to those blurry-eyed souls unable to face the fact of deadline or sunrise.

This time it is fried rice. The shrewd eggs light and the toast is just right. The coffee reaches a pan sized jet, French bread with garlic butter (being in the open air permitted) and pastry sweet and light as only small town bakers seem to know how to make it.

Camp was the lake shore and a driftwood fire of such proportions as to warrant a football rally. The fog swirled and billowed beyond the point and the fog horns bellowed mournfully in deep tones back and forth and the ship occasionally joined in. Sleeping bags were thrown on air mattresses in the dry sand near the fire. Of dreams we had little, with a jewel covered sky weary bones at ease, sleep came as a gift.

The luxury of a motel for one day for shampoo, hot showers and a good rest. On to Fred Bear's fabulous factory where the world's finest equipment for all bow and arrow needs are born. We went through the fine plant and viewed with awe the many trophies and antique bow weapons.

The Hartwick Pines scouted and the big giant of them all inspected, we souped out the artillery range and listened to the boom-thud of reserves practicing on the ranges. It was a creepy thought at one point wondering what it would feel like if it were not our own but approaching enemy fire.

A soft, breezy, star cluttered, bugless camp at the base of a fire tower with miles of timber, farms and towns clearly visible in the still warm air. Just as dusk became night the meadow in the valley came alive with life, fire brewed hot coffee against a chill that never came and talked softly, for the atmosphere seemed charged like.

The last bite is always the sweetest. A canoe trip down the rain-swelled brisk waters of the Ausable river. Lost from humanity, we packed our inhibitions and were the gayest of trippers ever to be found with lots

of enthusiasm and little brains: Jessie Bonmilla, then to Concord to Mr. Sharp's cousin, Earl Sharp. On the way home they stopped in Parma to visit a niece, Visitors at the Milo Keesler's Sunday were Mr. and Mrs. Fred Springstead and family of near Stockbridge, Mr. and Mrs. Marion Keesler and family of Springport, Mr. and Mrs. Lynn Thum and family of southeast Eaton Rapids.

Happy are the families that planned ahead for just such emergencies. They have cash in the bank to meet these expenses without upsetting the family's standard of living, plunging into debt or borrowing money that will have to be paid back later with interest.

For that reason, there is a lot of peace-of-mind in a savings account that you add to regularly, knowing that the money is always there should you need it in a hurry.

For the first time this season, rain interfered with the boys' baseball league last Thursday night, washing out three games. The Peewee league game, between Kiwanis and Heminger's, was postponed Friday night.

Special guests were grandparents of the groom, Mr. and Mrs. Herman Harsmeyer of Lansing and Mr. and Mrs. Wesley Ried of Holt; the bride's grandmothers, Mrs. Carrie Pierce of Eaton Rapids and Mrs. Mary Buckingham, also of Eaton Rapids.

The bride's dress was a floor length embroidered nylon organza with a princess bodice and portrait neckline trimmed in embroidered leaf motif and jewels. The sleeves were short and capped. The bouffant skirt of embroidered teal and organza was trimmed with tiers down either side.

The bride is a 1937 graduate of Eaton Rapids High School and is employed at the Dart National Bank of Mason. Reid graduated from Mason High School in 1938 and is employed at the Ingham County News.

Jim Baker Says

August is traditionally a busy month in the real estate business. Many families are always looking for new homes at this time of year so that they can be moved and settled before the children go back to school.

So, if you are thinking of buying or selling a home, now is a good time to get in touch with us. We have many desirable properties listed, both in town and in the country, that you can be settled into by the time school starts Sept. 8. We also have many clients looking for "just the right place" to buy in the next few weeks. If you are thinking of selling, your home may be the one they're looking for.
